Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Efficiency: High
- Type: Diesel Generator
- Noise Level: Low
- Fuel: Diesel
- Warranty: 1 Year
- Cooling System: Water Cooled
- Control System: Automatic Control
- Frequency: 50/60 Hz
- Highlight: **Cummins Diesel Generator 1500 RPM,
High Efficiency Cummins Diesel Generator,
1800 RPM Diesel Generator Set**

Product Description

Product Description:

Cummins Diesel Generator Set is the ideal choice for reliable power supply. It is equipped with the advanced Cummins engine, providing a frequency of 50/60 Hz. This diesel generator set is designed for automatic and manual operation modes. As a reliable and durable product, it is backed by a 1-year warranty. Cummins Diesel Generator Set is the perfect choice for a long-term investment, offering customers superior performance and quality.

Cummins Diesel Genset is a reliable and efficient power source. It is designed for a long-term operation and provides an excellent return on investment. The Cummins engine ensures maximum efficiency and durability, and it is equipped with advanced features for safe and reliable operation. The generator set is designed with an automatic and manual operation mode, making it user-friendly and convenient. Cummins Generator Set is also backed by a 1-year warranty, providing customers with peace of mind.

For those looking for a reliable and efficient power source, Cummins Diesel Generator Set is the perfect choice. It is equipped with the advanced Cummins engine, providing a frequency of 50/60 Hz. The generator set is designed for automatic and manual operation modes, and it is backed by a 1-year warranty. Cummins Diesel Genset is the ideal choice for a long-term investment, offering customers superior performance and quality.

Features:

Product Name: Cummins Diesel Generator

Installation: Easy

Fuel: Diesel

Efficiency: High

Cooling System: Water Cooled

Type: Diesel Generator Set

Technical Parameters:

Property	Value
Control System	Automatic Control
Frequency	50/60 Hz
Noise Level	Low
Warranty	1 Year
Speed	1500/1800 RPM
Starting System	Electric Start
Fuel	Diesel
Brand	Cummins
Efficiency	High
Cooling System	Water Cooled

Applications:

Minlong Cummins Diesel Generator Set is a reliable power solution for many different applications, with a wide range of power options and best-in-class fuel efficiency. Certified by ISO9001 and with easy installation, the Cummins Diesel Generator Set is a perfect solution for businesses and industries looking for a reliable power source. With a minimum order quantity of 1, competitive pricing, a 1-year warranty and quick delivery time of 10-15 days, Minlong is the perfect choice for Cummins Diesel Genset. It is designed with a water cooled system and electric start for ease of use and is delivered in a wooden case. Minlong also offers a wide range of customizations to meet the needs of the customer, with a supply ability of 1000 pieces per week. The Cummins Diesel Genset from Minlong is the perfect choice for any business or industry looking for a reliable, efficient and cost-effective power solution.
