

Silent 220V-440V Automatic Manual Diesel Generator Easy Maintenance

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Fuel: Diesel
- Voltage: 220V-440V
- Control Panel: Automatic/Manual
- Operation Time: Long
- Cooling System: Air/Water
- Starting System: Electric/Manual
- Power: 10kW-1000kW
- Protection System: Voltage/ Frequency/ Temperature/ Oil Pressure/ Overload
- Highlight: **220V Automatic Manual Diesel Generator, Silent Manual Diesel Generator, Electric Automatic Diesel Generator**

Product Description

Product Description:

Silent Type Diesel Generator Set is an ideal choice for reliable and cost effective power generation. It is powered by Diesel, with a power range of 10kW-1000kW, and equipped with high efficient cooling system such as air and water. It can start with electric or manual system, and features voltage, frequency, temperature, oil pressure and overload protection system. Cummins Power Diesel Generator is a trusted, reliable and cost-effective choice for your power generation needs.

Features:

Silent Type Diesel Generator Set:

Frequency: 50Hz/60Hz

Fuel: Diesel

Control Panel: Automatic/Manual

Operation Time: Long

Starting System: Electric/Manual

Technical Parameters:

Parameter	Description
Control Panel	Automatic/Manual
Protection System	Voltage/ Frequency/ Temperature/ Oil Pressure/ Overload
Fuel Consumption	Low
Frequency	50Hz/60Hz
Power	10kW-1000kW
Operation Time	Long
Starting System	Electric/Manual
Noise Level	Low
Fuel	Diesel
Maintenance	Easy
Generator	Cummins Power Diesel Generator, Silent Type Diesel Generator Set

Applications:

Minlong open silent type diesel generator sets are the ideal choice for any type of application where low noise levels are required. This silent type diesel generator set is powered by Cummins power, certified with ISO9001 standard, and come with reliable protection system such as voltage/ frequency/ temperature/ oil pressure/ overload. The low fuel consumption and easy starting system of electric/manual make it an ideal choice for any type of application. Its cooling system of air/water further ensures the reliability and efficiency of the generator. With a minimum order quantity of 1, the price is negotiable and the delivery time is about 10-15 days. The payment terms are flexible, including L/C, D/A, D/P, T/T, Western Union, MoneyGram, and the supply ability is 1000 pieces per week. The packaging details is wood case.

Customization:

Open Silent Type Diesel Generator

Brand Name: Minlong

Place of Origin: China

Certification: ISO9001

Minimum Order Quantity: 1

Price: Negotiation

Packaging Details: Wood case
Delivery Time: 10-15 days
Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
Supply Ability: 1000 pieces per week
Fuel: Diesel
Power: 10kW-1000kW
Warranty: 1-2 Years
Cooling System: Air/Water
Starting System: Electric/Manual

Cummins Power Diesel Generator

Our open silent type diesel generator powered by Cummins engine is designed and manufactured with the highest standards of quality and performance. We promise you a reliable and efficient generator set with a 1-2 years warranty.

Support and Services:

Silent Diesel Generator's technical support and services are customer-oriented and designed to ensure your satisfaction. We offer a comprehensive range of on-site and remote services including:

Installation and commissioning

Maintenance and repair

Extended warranties

Troubleshooting

Operator training

Parts and consumables

Consultancy and advice

All of our services are provided by experienced, factory-trained engineers and technicians who use the latest diagnostic tools and technologies. For further information, please contact us.

Packing and Shipping:

Silent Diesel Generator Packaging and Shipping:

The generator must be carefully packaged in its original box, secured with reinforced tape.

The generator must be shipped in a manner that will prevent shock or vibration.

The generator must be shipped with sufficient cushioning material to absorb any shock or vibration.

The generator must be shipped with a shipping label clearly indicating the type of generator, its destination, and the date of shipment.

FAQ:

Q: What is the brand name of the Silent Diesel Generator?

A: The brand name is Minlong.

Q: Where is the Silent Diesel Generator made?

A: The Silent Diesel Generator is made in China.

Q: Does the Silent Diesel Generator have ISO9001 certification?

A: Yes, the Silent Diesel Generator has ISO9001 certification.

Q: What is the minimum order quantity for the Silent Diesel Generator?

A: The minimum order quantity is 1.

Q: How is the Silent Diesel Generator packaged?

A: The Silent Diesel Generator is packaged in a wood case.
