

High Efficiency 3 Phase Diesel Generator 50Hz 60Hz

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Efficiency: High
- Starting System: Electric Start
- Product Name: Diesel Generator
- Noise Level: Low
- Power: 20-1000kW
- Frequency: 50Hz/60Hz
- Warranty: 1 Year
- Voltage: 400V/230V
- Highlight: 60Hz Diesel Generator,
ISO9001 Diesel Generator,
High Efficiency 3 Phase Diesel Generator

Product Description

Product Description:

Diesel Generator is a reliable and efficient generating equipment for those who need reliable power supply. It is powered by a diesel engine, which is designed to provide high power output at low noise levels. The generator is equipped with an electric start system and is available in two operating speeds, 1500rpm and 1800rpm, to meet different needs. It also offers two different frequencies, 50Hz and 60Hz, and two different voltages, 400V and 230V, for versatile use. All in all, Diesel Generator is the perfect choice for those who need a reliable, low-noise and high-performance power supply.

Features:

Product Name: **Diesel Power Generator, Diesel Generating Machine, Diesel Generator Sets**

Efficiency: **High**

Frequency: **50Hz/60Hz**

Controller:

Starting System: **Electric Start**

Technical Parameters:

Product Name	Diesel Generator
Phase	3 Phase
Warranty	1 Year
Speed	1500rpm/1800rpm
Controller	
Voltage	400V/230V
Fuel	Diesel
Noise Level	Low
Frequency	50Hz/60Hz
Efficiency	High

Applications:

Diesel Power Generators are the perfect choice for any power generation application. With an ISO9001 certification, they are reliable and efficient. Diesel Generators are available in a variety of sizes and configurations, with prices ranging from negotiations for a minimum order of one piece. Packaging is provided in a wooden case and delivery is within 10-15 days. Payment terms include L/C, D/A, D/P, T/T, Western Union, and MoneyGram. Supply ability is up to 1000 pieces per week. Frequency options are 50Hz/60Hz. A variety of starting systems are available, such as electric start. Speed options are 1500rpm/1800rpm, and the phase is 3 phase. Efficiency is high. Diesel Generator Sets are excellent for any power generation needs.

Customization:

Diesel Generator

Brand Name:

Place of Origin: China

Certification: ISO9001

Minimum Order Quantity: 1

Price: Negotiation

Packaging Details: Wood case

Delivery Time: 10-15 days

Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

Supply Ability: 1000 pieces per week

Product Name: Diesel Generator

Phase: 3 Phase

Fuel: Diesel

Starting System: Electric Start

Frequency: 50Hz/60Hz

Diesel Generator is the perfect choice for your diesel power needs. It's a Diesel Power Generator, Diesel Generating Equipment with 3 Phase, Diesel, Electric Start, 50Hz/60Hz.

Support and Services:

Diesel Generator provides technical support and service to help you get the most out of your generator. Our support staff is available 24/7 to answer your questions, provide technical assistance, and troubleshoot any issues. Whether you need help with installation, maintenance, or repair, our team of professionals is here to help. We also offer a range of extended services to ensure your generator is always running at peak performance. With our comprehensive service and support, you can rest assured that your generator is in good hands.

Packing and Shipping:

Diesel Generator Packaging and Shipping

When ordering a Diesel Generator, the generator will be delivered in a box with the following specifications:

The box will be made of strong, corrugated cardboard.

The box will be secured with adhesive tape.

The box will be designed to provide maximum protection for the generator during transport.

The box will include a packing list with all the components of the generator.

The generator will be shipped via a reliable carrier. It will be fully insured and tracked to ensure its safe delivery.

FAQ:

Q1: What is the Brand Name of Diesel Generator?

A1: The Brand Name of Diesel Generator is .

Q2: Where is the place of origin for Diesel Generator?

A2: Diesel Generator is from China.

Q3: Is Diesel Generator certified?

A3: Yes, Diesel Generator is certified with ISO9001.

Q4: What is the minimum order quantity of Diesel Generator?

A4: The minimum order quantity of Diesel Generator is 1 piece.

Q5: How about the price of Diesel Generator?

A5: The price of Diesel Generator is open for negotiation.
