

50Hz 60Hz Petrol Electric Generator Diesel Generating Machine

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Product Name: Diesel Generator
- Power: 20-1000kW
- Starting System: Electric Start
- Warranty: 1 Year
- Voltage: 400V/230V
- Efficiency: High
- Phase: 3 Phase
- Highlight: **50Hz Petrol Electric Generator ,
60Hz Petrol Electric Generator ,
1000kW Diesel Generating Machine**

Product Description

Product Description:

Diesel Generating Machine is a reliable and efficient power generator, with a 1-year warranty, offering high efficiency performance. This generator is available in 400V/230V voltage and has two speeds, 1500rpm/1800rpm. Diesel Generator is perfect for providing reliable and efficient power and is an ideal choice for those who need to power their homes or businesses. It is also suitable for a wide range of applications such as construction, mining, agriculture and industrial. This Diesel Power Generator is made with advanced technology and features that make it an excellent choice for any power need.

Features:

Product Name: Diesel Generator

Frequency: 50Hz/60Hz

Starting System: Electric Start

Speed: 1500rpm/1800rpm

Efficiency: High

Phase: 3 Phase

Diesel Power Generator: Highly reliable and efficient

Diesel Generating Equipment: Low noise and vibration

Diesel Generating Equipment: Long durability and easy maintenance

Technical Parameters:

Property	Value
Product Name	Diesel Generator
Starting System	Electric Start
Efficiency	High
Noise Level	Low
Power	20-1000kW
Fuel	Diesel
Voltage	400V/230V
Phase	3 Phase
Speed	1500rpm/1800rpm
Frequency	50Hz/60Hz

Applications:

The **Diesel Generator** is the perfect solution for reliable power generation. This generator is highly efficient and offers a reliable and robust solution with a superior performance guarantee. It is renowned for its low noise output and less emissions. This is a perfect choice for both residential and commercial applications. This generator is certified with **ISO9001** and has a **Minimum Order Quantity** of 1. The **Price** is negotiable and it is delivered in a **Wood Case** within 10-15 days from the date of order. Payment terms can be **L/C, D/A, D/P, T/T, Western Union, MoneyGram**. The generator has a **Controller** by and can run at speeds of **1500rpm/1800rpm**. It is highly efficient and has a **Starting System** of Electric Start. The **Warranty** of the generator is 1 year and the **Supply Ability** is up to 1000 pieces per week.

Support and Services:

Diesel Generator Technical Support and Service
24/7 technical support for Diesel Generator
On-site support and maintenance services
Regular maintenance and repair services
Parts replacement and supply services
Troubleshooting, diagnostic and repair services
Emergency repair services

Packing and Shipping:

Diesel Generator Packaging and Shipping

Diesel Generators are shipped in a professionally designed pallet that is specifically designed to keep the generator and its components safe. The pallets are made out of heavy-duty cardboard and are designed to withstand all types of weather conditions. The pallet is then securely sealed with stretch wrap and strapped with four straps to ensure that it is secure during shipping. The generator is then placed in a strong, weather resistant plastic container. The container is designed to protect the generator from dust, moisture, and other environmental factors. Once the generator is safely placed in the container, it is then placed on the pallet and secured with four straps. The generator is then ready to be shipped. The container and pallet are picked up by a shipping company and transported to the desired destination. All Diesel Generators are shipped with insurance to ensure that they arrive safely and in perfect condition.

FAQ:

Q: What is the Brand Name of this Diesel Generator?
A: The Brand Name of this Diesel Generator is .
Q: Where is this Diesel Generator made?
A: This Diesel Generator is made in China.
Q: What is the Certification of this Diesel Generator?
A: This Diesel Generator is certificated with ISO9001.
Q: What is the Minimum Order Quantity of this Diesel Generator?
A: The Minimum Order Quantity of this Diesel Generator is 1.
Q: What is the Price of this Diesel Generator?
A: The Price of this Diesel Generator is Negotiable.
