

Electric Manual SDEC Diesel Generator 1 Year Warranty 50 60Hz

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Sdec
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Brand: SDEC
- Noise: Low
- Cooling System: Air/Water
- Fuel: Diesel
- Frequency: 50/60Hz
- Protection System: Overload/High Temperature/Low Oil Pressure
- Starting System: Electric/Manual
- Type: Diesel Generator
- Highlight: **Electric SDEC Diesel Generator, 60Hz SDEC Diesel Generator, natural gas standby generator**

Product Description

Product Description:

SDEC Diesel Generating Equipment is a reliable and efficient generator sets for your power needs. The SDEC Diesel Generator is designed with a robust protection system to ensure the safety of your power supply, including overload, high temperature and low oil pressure protection. The cooling system can be air or water cooled to meet different requirements, and the noise level is low. It also has an automatic and manual control system to choose from. The voltage range is 220V/ 380V/ 400V/ 415V/ 440V/ 480V. SDEC Diesel Generating Unit is the ideal choice for anyone who needs a reliable and powerful generator. It is easy to install and operate, and it is reliable and efficient. The generator sets are designed to provide a secure and reliable power supply, and it is perfect for any application. SDEC Diesel Generator is the perfect solution for your power needs, whether it's for residential, commercial or industrial use. The generator sets are perfect for any situation and provide a secure and reliable power supply. The SDEC Diesel Genset is the perfect choice for anyone needing reliable and efficient power. The generator sets are highly durable and reliable, and they are also easy to install and operate. The Generator Sets provide a secure and reliable power supply and are perfect for any application. The SDEC Diesel Generator is the perfect solution for your power needs, whether it's for residential, commercial or industrial use. The generator sets are perfect for any situation and provide a secure and reliable power supply.

Features:

Product Name: SDEC Diesel Generator
Fuel: Diesel
Control System: Automatic/Manual
Cooling System: Air/Water
Voltage: 220V/ 380V/ 400V/ 415V/ 440V/ 480V
Frequency: 50/60Hz
SDEC Diesel Generating Unit
SDEC Diesel Engine Generator
SDEC Diesel Generating Unit

Technical Parameters:

Attribute	Value
Fuel	Diesel
Control System	Automatic/Manual
Voltage	220V/ 380V/ 400V/ 415V/ 440V/ 480V
Type	Diesel Generator
Cooling System	Air/Water
Power	10-1000KW
Starting System	Electric/Manual
Protection System	Overload/High Temperature/Low Oil Pressure
Noise	Low
Brand	SDEC

Applications:

SDEC diesel generating equipment is a reliable and powerful generator made in China and certified by ISO9001. It is available in a minimum order quantity of 1 and the price is negotiable. The packaging is in a wood case and the delivery time is 10-15 days. The payment terms are L/C, D/A, D/P, T/T, western union and moneygram. It has a supply ability of 1000 pieces per week. The power range is from 10 to 1000KW, and it has an automatic or manual control system. It comes with a 1 year warranty and has a frequency of 50/60Hz. The cooling system is either air or water.

Customization:

SDEC Diesel Power Generator

Brand Name: **Sdec**

Place of Origin: **China**

Certification: **ISO9001**

Minimum Order Quantity: **1**

Price: **Negotiation**

Packaging Details: **Wood case**

Delivery Time: **10-15 days**

Payment Terms: **L/C, D/A, D/P, T/T, Western Union, MoneyGram**

Supply Ability: **1000 pieces per week**

Power: **10-1000KW**

Warranty: **1 Year**

Type: **Diesel Generator**

Frequency: **50/60Hz**

Starting System: **Electric/Manual**

SDEC Diesel Generator is designed to provide reliable power source for commercial and industrial applications. The generator can be custom designed to meet your specific power requirements. It is backed by our **ISO9001** certification and offers **1 year warranty** for parts and components. It is powered by **10-1000KW** diesel engine with **50/60Hz** frequency and **Electric/Manual** starting system. It is packed in **wood case** for secure transportation. We accept orders with minimum **1 piece**, and you can expect delivery within **10-15 days** after payment. We accept **L/C, D/A, D/P, T/T, Western Union, MoneyGram** as payment terms. The price is negotiable. We can deliver **1000 pieces per week**. **SDEC Diesel Generating Equipment** is your best choice for reliable power source.

Support and Services:

Technical Support and Service for SDEC Diesel Generator

SDEC Diesel Generator provides 24/7 technical support and service for customers. Our highly qualified engineers and technicians are always available to provide the best technical assistance.

We offer a range of services including installation, commissioning, maintenance, troubleshooting, and repair. Our team can also provide customized solutions and recommend the most suitable product for your needs.

We have an extensive network of service centers located across the country. Our team is ready to assist you with any technical issues you may have, or provide you with a comprehensive service package. We also offer remote support services to provide quick and efficient help.

Our team of experts is always available to answer your questions and resolve any technical issues you may have. We are committed to providing you with the highest quality service to ensure your satisfaction.

Packing and Shipping:

SDEC Diesel Generator Packaging and Shipping

When shipping SDEC Diesel Generators, we are committed to ensuring that they arrive to their destination securely and in perfect condition. We package all of our generators in heavy-duty cardboard boxes with additional padding and cushioning materials to protect them. We also use plastic wrap to keep the shipping box sealed and to keep dust and moisture from entering.

We ship all of our generators via ground shipping with a reputable carrier. We also offer air and express shipping services for customers who need their generator quickly. We always provide detailed tracking information to keep our customers informed about the status of their shipment.

FAQ:

Q: What is the brand of SDEC Diesel Generator?

A: The brand of SDEC Diesel Generator is Sdec.

Q: Where is SDEC Diesel Generator made?

A: SDEC Diesel Generator is made in China.

Q: Is SDEC Diesel Generator ISO9001 certified?

A: Yes, SDEC Diesel Generator is ISO9001 certified.

Q: What is the minimum order quantity for SDEC Diesel Generator?

A: The minimum order quantity for SDEC Diesel Generator is 1.

Q: What is the price of SDEC Diesel Generator?

A: The price of SDEC Diesel Generator is negotiable.
