

Power Diesel Mobile 3 Phase Generator Automatic Manual Control System

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Start Mode: Electric/Manual
- Fuel Type: Diesel
- Dimension: Customized
- Phase: Single/Three
- Control System: Automatic/Manual
- Fuel Tank Capacity: 50-1000L
- Cooling System: Air/Water
- Type: Mobile Diesel Generator
- Highlight: **Automatic Mobile 3 Phase Generator, Diesel Mobile 3 Phase Generator**

Product Description

Product Description:

Our Mobile Diesel Generator is the perfect portable power solution for construction sites, outdoor events and emergency power backup. This powerful unit is powered by a diesel engine and features a reliable frequency of 50/60Hz, a cooling system of air/water, a fuel type of diesel, a single/three phase and a low noise level.

Our Mobile Diesel Generator is designed to provide convenient and efficient power when and where you need it. It is easy to transport and can be used for a variety of applications, including powering equipment at construction sites, events, or emergency power backup. It features a reliable frequency of 50/60Hz, a cooling system of air/water, a fuel type of diesel, a single/three phase and a low noise level, making it a perfect choice for any application.

The Mobile Diesel Generator is the perfect choice for anyone looking for a reliable and efficient mobile power solution. It features a reliable frequency of 50/60Hz, a cooling system of air/water, a fuel type of diesel, a single/three phase and a low noise level, making it an ideal choice for any application.

If you are looking for a reliable and efficient mobile power solution, our Mobile Diesel Generator is the perfect choice. With its reliable frequency of 50/60Hz, cooling system of air/water, fuel type of diesel, single/three phase and low noise level, it is the ideal solution for any application.

Features:

Product Name: Mobile Diesel Generator

Type: Mobile Diesel Generator

Power Output: 20-100KW

Fuel Type: Diesel

Rated Voltage: 220V/380V/400V/415V/440V

Phase: Single/Three

Technical Parameters:

Rated Voltage	Fuel Type
220V/380V/400V/415V/440V	Diesel
Fuel Tank Capacity	Dimension
50-1000L	Customized
Phase	Certificate
Single/Three	CE/ISO/SGS
Noise Level	Start Mode
Low	Electric/Manual
Cooling System	Frequency
Air/Water	50/60Hz

Applications:

Minlong mobile diesel generator is a reliable source of mobile power for commercial and industrial application. It provides a low cost, efficient and reliable power solution for a wide variety of applications, including emergency power for hospitals, construction sites, events, and remote areas. Its fuel type is diesel, start mode is electric/manual, fuel tank capacity is from 50-1000L and weight is customizable. It is certified to ISO9001, with a minimum order quantity of 1 piece. Price is open to negotiation, and packaging is provided in wood cases. Delivery time is 10-15 days, and payment terms include L/C, D/A, D/P, T/T, Western Union and MoneyGram. Supply ability is 1000 pieces per week.

Customization:

Mobile Diesel Generator

Brand Name: Minlong

Place of Origin: China

Certification: ISO9001
Minimum Order Quantity: 1
Price: Negotiation
Packaging Details: Wood case
Delivery Time: 10-15 days
Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
Supply Ability: 1000 pieces per week
Noise Level: Low
Fuel Tank Capacity: 50-1000L
Warranty: 1 Year
Certificate: CE/ISO/SGS
Weight: Customized

Customized Mobile Diesel Engine Unit

Minlong provides customized mobile diesel engine unit with high quality and competitive price. With our ISO9001 certification, we can guarantee the quality of our mobile diesel engine unit. The fuel tank capacity can be customized from 50 to 1000L. The noise level is low and we provide 1 year warranty for our mobile diesel engine unit. The weight of the product is also customizable. We accept a variety of payment terms, like L/C, D/A, D/P, T/T, Western Union, MoneyGram, etc. The delivery time is within 10-15 days and we can provide 1000 pieces per week. We will package our mobile diesel engine unit with wood case.

Support and Services:

Mobile Diesel Generator Technical Support and Service
24-hour technical support and service (online and phone)
Regular maintenance and repair services
Inspection and testing services
Emergency repair and replacement services
On-site installation and commissioning services
Customized engineering services

Packing and Shipping:

Packaging and Shipping of Mobile Diesel Generator

The Mobile Diesel Generator will be securely packaged and shipped in a wooden crate to ensure maximum protection during transit. The Generator will be strapped and secured to the crate and surrounded with protective foam to prevent any movement or damage during delivery.

We will work with a trusted shipping partner to ensure the safe and timely delivery of the Mobile Diesel Generator to the customer.

FAQ:

Q1: What is the brand name of the Mobile Diesel Generator?

A1: The brand name of the Mobile Diesel Generator is Minlong.

Q2: Where is the Mobile Diesel Generator made?

A2: The Mobile Diesel Generator is made in China.

Q3: What certifications does the Mobile Diesel Generator have?

A3: The Mobile Diesel Generator has ISO9001 certification.

Q4: What is the minimum order quantity for the Mobile Diesel Generator?

A4: The minimum order quantity for the Mobile Diesel Generator is 1.

Q5: What payment terms do you accept for the Mobile Diesel Generator?

A5: We accept L/C, D/A, D/P, T/T, Western Union, and MoneyGram for the Mobile Diesel Generator.
