

K38n-G5 50Hz Cummins Engine 500kw Natural Gas Generator High Stability

Our Product Introduction

For more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Cummins
- Certification: ISO9001, ISO14001, CE
- Model Number: K38n-G5
- Minimum Order Quantity: 1 Set
- Price: 110,143 USD
- Packaging Details: Please consult customer service.
- Delivery Time: About 30-50 days
- Payment Terms: L/C, T/T, Western Union, MoneyGram
- Supply Ability: 100 Set/Month

Product Specification

- Nox Emission: 500mg NOx
- Power Output: 300kW-1000kW
- LHV: $\geq 15\text{MJ/m}^3$ (400BTU/ft³)
- MN: ≥ 75
- Dimension: Varies
- Cooling System: Air/Water Cooled
- Control System: Automatic
- Fuel Type: Natural Gas/Biogas
- Highlight: **500kw Natural Gas Generator, High Stability Natural Gas Generator**

Product Description

Product Description:

K38n-G5 50Hz Cummins Engine 500kw Natural Gas Power Generator

Cummins 50Hz 60Hz Generator Set is a Natural Gas Generator designed with advanced automatic control system, high reliability, and excellent performance. It has a minimum power of 75MN and can be powered by either Natural Gas or Biogas. It is equipped with two pump two loop air cooled and water cooled cooling system, and has excellent stability and reliability.

The Cummins Generator Set provides superior efficiency and low fuel consumption with its advanced automatic control system. It is also designed with advanced safety features to ensure the safety of the operator and the environment. This generator set is easy to operate and maintain, and is highly cost-effective.

Cummins 50Hz 60Hz Generator Set is an ideal choice for all kinds of industrial and commercial applications. Its robust design and high performance make it a reliable and cost-effective solution for any power generation requirements.

K38n-G5 50Hz Cummins Engine 500kw Natural Gas Power Generator

Technical Parameters:

Parameter	Value
MN	≥75
Power Output	300kW-1000kW
Cooling System	Air/Water Cooled
Thermal efficiency	About 45%
Nox emission	500mg NOx
Cooling system	2 Pump 2 Loop
LHV	≥15MJ/m ³ (400BTU/ft ³)
Fuel Type	Natural Gas/Biogas
Control System	Automatic
Warranty	1 Year
Models	Cummins 400kw Gas Generator, Cummins 3500kw Gas Generator, Cummins 700kw Gas Generator, Cummins 1000kw Gas Generator

Company Profile:

Guangdong Minlong Mechanical and Electrical Equipment Co., Ltd. was established in 1995. Its headquarters is located in Foshan, Guangdong, the world power generating unit manufacturing base in the Pearl River Delta, which is the most developed in China. There are many branches and agencies in China.

Packing and Shipping:

Packaging and Shipping for Natural Gas Generator

The natural gas generator is packaged to ensure safe and secure transport. It is packed in an appropriate size of cardboard box and then sealed with heavy-duty packing tape. The box is then placed in a wooden crate to provide additional protection against impacts and weather. All surfaces of the crate are lined with foam padding to prevent the generator from shifting and sustaining damage. The natural gas generator is shipped using an appropriate carrier service. The carrier uses specialized equipment and personnel to ensure that the generator is securely transported and delivered to its destination in a timely manner.

FAQ:

Q: What is the brand name of the natural gas generator?

A: The brand name of the natural gas generator is Cummins.

Q: Where is the natural gas generator made?

A: The natural gas generator is made in China.

Q: What certifications do the natural gas generator have?

A: The natural gas generator has ISO9001, ISO14001, and CE certifications.

Q: What is the minimum order quantity for the natural gas generator?

A: The minimum order quantity for the natural gas generator is 1 set.

Q: How long does it take to deliver the natural gas generator?

A: It takes about 30-50 days to deliver the natural gas generator.
